## TREK 4 TRYKES

Trek 4 Trykes is National AMBUCS' first nationwide fundraising event created to provide Amtryke therapeutic tricycles to people with disabilities on a grassroots level. Having many events all across America in the month of May will allow us to seek national sponsors to underwrite the costs of the event. And all net proceeds will benefit people in the community where the funds were raised.

This premiere event is designed as an entirely optional but turn-key fundraising project for your chapter's Amtryke program. The Trek will help you raise funds but, equally important, will help raise awareness of your AMBUCS chapter's efforts and our mission to create mobility and independence for people with disabilities.

If you are excited about Trek 4 Trykes, read on, then fill out and return the attached request form to receive detailed information that will help you get started. Don't worry, filling out the card does not indicate a commitment.

## CELEBRATING OUR MISSION TO CREATE MOBILITY & INDEPENDENCE

AMBUCS is well-respected for our mission among physical and occupational therapists and the people we all serve.

Trek 4 Trykes gives us an excellent opportunity to spread the word beyond these circles. Shoulders Together, we can raise public awareness and increase funding for Amtryke therapeutic tricycles.

Many worthy causes have gained recognition and awareness through nationally-branded events like the Trek. Now it's time for AMBUCS to shine!

## JOIN THE CELEBRATION

Any AMBUCS chapter can choose to organize a local Trek 4 Trykes event. Your turn-key toolkit will include a step-by-step guide to organize your local Trek, plus supplies and resources to implement and promote your event. Online event management will make your volunteers' work simple and easy.

Your Trek 4 Trykes toolkit includes:

- A step-by-step event planning guide
- Event t-shirts for participants and volunteers
- Brochures, posters, signage and a large banner
- Event webpage set-up, design, and support
- Online event registration and donations
- Online tracking of event participants, donors and sponsors
- Electronic delivery of receipts for donors
- Printable copies of event forms
- Sample participant, sponsor and donor letters/emails
- Insurance through our national provider

## THE TREK 4 TRYKES PARTNERSHIP

This event is designed as a partnership between your chapter and National AMBUCS to generate awareness and funding for Amtryke therapeutic tricycles in your area.

National AMBUCS provides the tools and supplies for the event with no upfront cost: from t-shirts, signage and posters to full administration of participants and donations.

The chapter provides for the local needs – facilities, day-of-event activities, and recruitment of local sponsors and participants.

The cost of the marketing materials and t-shirts will be paid from the revenues generated by your event online.

The remaining proceeds (net revenue) will be deposited in your chapter's Amtryke account at the AMBUCS Resource Center.

## TREK IT YOUR WAY

Imagine walking in a picturesque park or golf course during the spring beauty of May. It could even be a beach, local track or shopping mall. The location possibilities are endless. What's important is you gather new friends, neighbors and others from the community to Trek 4 Trykes.

## TAKE THE FIRST STEP

To get started, please complete, tear off, and mail the attached request to receive your Trek 4 Trykes information packet. This will include an event proposal and agreement that must be submitted to the AMBUCS Resource Center at least 120 days prior to your proposed event.

For more information call the Resource Center at 1-800-838-1845 x117.
